

## The countries directly and indirectly concerned

Country	First sign (d/m/y)	Species infected	Farm type
South Korea	11/12/2003	Chicken (breeding)	Industrial
Indonesia	11/12/2003	Hen	Farmyard
Vietnam	27/12/2003	Chicken (breeding)	Industrial
Cambodia	11/01/2004	Hen	Industrial
Japan	12/01/2004	Hen	Industrial
Hong-Kong	19/01/2004	Peregrine falcon	Wild
Laos	19/01/2004	Hen	Industrial
Thailand	20/01/2004	Hen	Industrial
China	23/01/2004	Hen, chicken, duck, goose, pigeon	Farmyard
Malaysia	07/08/2004	Hen, chicken, goose, duck	Farmyard
Russia	18/07/2005	Hen, turkey, duck, goose	Farmyard
Kazakhstan	22/07/2005	Duck, goose	Farmyard
Mongolia	02/08/2005	Duck, goose, swan	Wild
Turkey	01/10/2005	Turkey	Farmyard
Romania	04/10/2005	Hen, duck	Farmyard
Croatia	19/10/2005	Swan	Wild
Ukraine	25/11/2005	Chicken, goose	Farmyard
Nigeria	10/01/2006	Hen	Industrial
Iraq	18/01/2006	Chicken, hen, goose, duck, wild birds	Farmyard and wild
Azerbaijan	29/01/2006	Wild birds	Wild
Greece	30/01/2006	Swan Wild	
Italy	01/02/2006	Mute swan Wild	
Iran	02/02/2006	Swan	Wild
Bulgaria	03/02/2006	Swan	Wild
Hungary	04/02/2006	Mute swan	Wild
Germany	08/02/2006	Swan, goshawk	Wild
Slovenia	11/02/2006	Mute swan	Wild
Austria	13/02/2006	Swan	Wild
France	13/02/2006	Wild duck	Wild
Niger	13/02/2006	Chicken, duck	Farmyard
Myanmar (Burma)	13/02/2006	Hen, quail	Farmyard
Bosnia-Herzegovina	16/02/2006	Swan	Wild
Egypt	17/02/2006	Chicken, hen, goose, duck, wild birds	Farmyard, industrial and wild
Slovakia	17/02/2006	Smew, peregrine falcon	Wild
India	18/02/2006	Chicken, hen	Farmyard, industrial
Cameroon	21/02/2006	Duck, hen	Farmyard
Georgia	23/02/2006	Swan	Wild
Pakistan	23/02/2006	Hen (breeding)	Industrial
Sweden	24/02/2006	Mallard duck	Breeding
Switzerland	26/02/2006	Common merganser	Wild
Burkina Faso	01/03/2006	Guinea fowl	Farmyard
Serbia and Montenegro	01/03/2006	Swan	Wild
Poland	02/03/2006	Swan	Wild
Afghanistan	02/03/2006	Turkey, chicken	Farmyard
Albania	07/03/2006	Chicken	Farmyard
Denmark	14/03/2006	Tufted duck, swan	Wild
Israel	16/03/2006	Turkey	Industrial
Czech Republic	20/03/2006	Mute swan	Wild
Jordan	23/03/2006	Turkey, chicken	Farmyard
United Kingdom	30/03/2006	Swan	Wild
Côte d'Ivoire	30/03/2006	Chicken, ducks, hawks	Farmyard, wild
Sudan	01/04/2006	Chicken	Farmyard
Djibouti	06/04/2006	Chicken	Farmyard
Spain	30/06/2006	Great crested grebe	Wild

## Countries not yet infected or where test results are not yet known

While the approximately fifty countries affected by the disease have suffered its direct negative effects since the beginning of the plague, the 150 countries thus far disease-free have experienced indirect effects such as an anticipated drop in the consumption of poultry that is nevertheless safe, an increase in health control measures, the stimulation of meat substitution sectors, the reorientation of tourism, a strengthening of international solidarity, and an awareness of globalization.
